

RELEASE NOTES (8.17) – 04.08.2022

Texas Health and Human Service Commission (HHSC) Clinical Management for Behavioral Health Services (CMBHS) Release Information Date 04/08/2022		
Page or Function	Description of Change and/or User Instructions	Business Entity/User Type Impacted
New - Provider Print Screen PRN001	The new Provider Print Screen allows the HHSC providers to print multiple client records at the same time. The feature can be accessed from the Client Services toolbar menu from Client Workspace. However, the feature is not available for HHSC Program Locations (Program Locations under Department of State Health Services). Provider Print Screen will display only closed complete client records.	ALL
YES Assessment (CANS)	The aged calculation was updated to allow the YES program the ability to provide services to a youth up to the day before they turn 19 years of age.	YES
HCBS-AMH Clinical Eligibility	On the HCBS-AMH Clinical Eligibility page providers are now able to change the status of the page from Closed Complete to Ready for Review in order to disenroll or suspend a participant when the participant has progress notes created as long as the progress notes are not in draft.	HCBS
