RELEASE NOTES (8.37) – 07.12.2024

Texas Health and Human Service Commission (HHSC)		
Clinical Management for Behavioral Health Services (CMBHS)		
Release Information		
Date: 07/12/2024		
Page or Function	**Description of Change and/or User Instructions**	**Business Entity/User Type Impacted**
ORG012	**Find/Add Staff Screen Changes:** • User Id field and Generate Button: The User ID and Generate button is removed in CMBHS. • Password field and Generate Button: The Password field and Password Generate button is removed from CMBHS. (Note: Will be handled in IAM Online) • Date of Birth: Changed to Non-Mandatory field. User will not require Date of Birth to save the Staff. • Email: Changed to Mandatory field. This field will be used as user id through IAM login. Email address field changed to non-editable once it is saved in system. • Email: Changed character length to 100-character limit. • Email: Domain character length validation changes to accept more than three characters.	
SEC009	**Login Page:** • Removed the User ID and Password field. • Added the Login Button which will router users to login through IAM Online Portal. • Added a link for External users IAM Online Helpfile.	
	Web service authentication: If user want to access web service with human account, they need to use email address and IAM Online portal password instead of CMBHS user id and password.	
If you have problems using CMBHS please contact the CMBHS Help Line at 1 866 806-7806 Monday - Friday 8:00 am to 4:30 pm
