

RELEASE NOTES (8.44) – 04.17.2025

Texas Health and Human Service Commission (HHSC) Clinical Management for Behavioral Health Services (CMBHS) Release Information Date: 04/17/2025		
Page or Function	Description of Change and/or User Instructions	Business Entity/User Type Impacted
ORG010	<p>We added validations on existing Organization page for existing Provider's Organization name and Provider Business type fields in CMBHS.</p> <ul style="list-style-type: none"> Other Business Type filed should be editable only if "Other (Specify)" is selected in the "Provider Business Type" else it should be non-editable. When Other (Specify) is selected under the Provider Business Type field, then Other Business Type _____ field should have a red asterisk symbol at that context to show that it is a required field to be consistent with the other required field in the page. 	All
ORG010	<p>We ensure that existing provider address in CMBHS are valid. Required validations when Organization address CMBHS:</p> <ol style="list-style-type: none"> Not permitted Characters - ./;&%#! Address line1 cannot be null when county or, state, city, zip are not null Address line1 cannot be null and address line 2 not null Address line 1 and 2 cannot be the same Address line or Address line 2 have # and not followed by number PO BOX cannot be Physical address PO BOX cannot be Billing address PO BOX cannot be TMHP Billing address Zip cannot be null County cannot be null Region cannot be null <p>Note: <u>PO Box is not allowed to be the main address.</u></p> <p>1 <u>Validation:</u> If Address Type is selected as Physical or Billing or TMHP Billing do not let the user put a PO Box in Address line 1 &2.</p>	All

	<p>Address 1 field, should not allow PO Box or P O Box or P.O. Box Address 2 field, should not allow PO Box or P O Box or P.O. Box</p>	
--	--	--

2. **Allow PO Box only** if the Address Type dropdown option is selected as "Other" or "Mailing" and then it can be entered in the Other Address Type field: _____
Or
In the PO Box field _____
Or even in the Address 1 & 2.

This change will help to enhance organization address data quality in CMBHS.
